I am moving overseas in less than 3 months. I am selling the contents of my 1 bedroom duplex with detached garage. I have washer/dryer air conditioners, tools, furniture and kitchen appliances. I have way too many items for the 10 picture limit. Make an offer on EVERYTHING in 1 shot! bidding starts at \$1000. I paid at least \$10,000 for everything only a few years ago. Everything is used in great condition, some items are just a few weeks old. A walk through can be arranged before purchasing/bidding. Thank you.
